

THE
SENCHI RESTAURANT

menu

Our mission is to support local farming, fishing communities and the surrounding agricultural areas.

Where possible, all fruits and vegetables are sourced locally and grown organically for freshness & taste.

Our eggs are from fowls which are maize fed and our river fish are caught fresh straight from the Volta River that runs adjacent to our property.

We have created a market garden in our own grounds, growing herbs & other subsistent items.

Our ethos at The Royal Senchi is team work, excellence and customer satisfaction.

We savour and cherish any comments we receive, believing this is imperative to our future growth & the well-being of our guests.
